Bestselling Author and Missionary Rolland Baker Reveals the Heart of True, Lasting Revival "There has been much talk in recent years of revival," says bestselling author and missionary Rolland Baker, "so much so that I wonder at times whether revival itself has become the object of devotion." Too often believers seek out revival, not the Reviver. When unchecked, they often pursue an emotional or physical experience or focus on how many came to Christ, rather than worship Jesus himself. Yet the heart of true, lasting revival is Christ--of falling in love with him so deeply that you can't help but tell others about him. And that, says Baker, is what has fueled him, his wife, Heidi, and all of Iris Ministries over the last thirty years. "This book is about sustaining revival over decades," says Baker. "By that I mean it is a book about falling in love and staying in love with the person of Jesus Christ. Revival is about the Reviver, nothing more and nothing less. My prayer is that you will fall in love with him with all your heart as you read these pages, and that you will not be able to resist giving that love away, wherever

you place your feet." Astonishing True Story of the Miracles That Are Changing Africa Born into a long line of witch doctors, Surprise ("Surpresa") Sithole was destined for a life of fear, oppression, and poverty in the jungles of Africa. But at the age of fifteen, he was awakened in the middle of the night by an unfamiliar voice. Urgent, but not harsh, it told him to get up and leave his family immediately. As Surprise stepped out into the night, away from everything dear to him, he had no idea who God was--or what he had in store for him. From miraculous signs and wonders to supernatural deliverance from certain death to divine revivals that overtook countries, Surprise has followed wherever God has led, becoming an agent of hope and change in a continent devastated by war, poverty, and spiritual oppression. Voice in the Night is the amazing true story of what began that night in a jungle hut more than twenty-five years ago: a journey--an adventure--of faith and miracles. Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities. Many have adopted a narrow vision, focusing on only one aspect of ministry. But in today's environment of faith-based opportunities many Christians are eager to start reaching out to their world with both Good News and good works, and therefore they are searching for appropriate ways to integrate both into their ministry. In Churches That Make a Difference, best-selling author Ron Sider and his coauthors

give those involved in community outreach a comprehensive resource for developing holistic ministry--a balance of evangelism and social outreach. Illustrations and helpful organizational tips detail the how-to's of an effective holistic ministry. Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications. User-friendly tools are included as well for congregational studies, surveys, evaluations, and community assessments. The authors draw on extensive experience with church ministries and faith-based organizations as they share the life-changing vision and biblical mandate for living the whole gospel. Church leaders will be encouraged in their process of developing and maintaining a holistic ministry, and local churches will rediscover a passion for loving the whole person the way Jesus did. An ethnography and examination of a new wave of Pentecostalism in Canada and the US. Experience the Supernatural Presence of the Holy Spirit in Every Area of Your Life! Tells the story of an adventure that began when the authors, founders of IRIS Ministries, and both natives of California, USA, answered God's call to minister to the poorest of the poor. How to Heal the Sick, Cast Out Demons, Raise the Dead--and More! The Bible says that if you belong to Jesus, you have the power to: · heal the sick · cast out demons · bring deliverance to those trapped in spiritual darkness · prophesy in his name · call forth creative miracles · receive supernatural words of wisdom and knowledge · even raise the dead So why do so many Christians live powerless lives? Why do they operate with so little faith? Having gone through his own journey from doubt to belief, Chicagoland pastor Robby Dawkins now ministers and speaks internationally, and where

he goes, miracles happen. In these pages he shares incredible stories of God using ordinary people to do the impossible. And he shows that, when you begin to have faith in the power of God, take him at his Word, and understand his love for you, you will see his power released in healings, financial blessings, and miracles of all kinds. Through exploring biblical teachings and personal stories, two international Christian leaders show believers how to develop a close, personal friendship with the Holy Spirit. From Justin Bieber, to Sarah Palin and Michele Bachmann, to the controversial documentary Jesus Camp (2006), the New Apostolic Reformation's influence can be seen everywhere in mainstream America. Beginning with an examination of the Latter Rain, Church Growth and Shepherding movements, this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life. The author describes the New Apostolic Reformation's organization, how the movement spread and its national and international objectives. Bestselling 365-day Devotional RECKLESS DEVOTION offers readers an opportunity to journey deeper into the heart of God daily, accompanied by Rolland and Heidi Baker's insights, which stem from a deep intimacy and dependency on Jesus. This book is filled with profound, inspirational truths that affirm our identity as beloved children of God and encourage us to go deeper with Him -

trusting Him more radically, taking more risks in faith, and living life to the full. Every seventh day, a "Come Closer" entry summarises the week's thoughts and helps readers to engage with the truths they have learned and apply them to their own lives. About the Authors: ROLLAND & HEIDI BAKER are the founders and directors of IRIS Ministries and have been missionaries for 30 years. They have taken deliberate steps to associate themselves with the world's poorest people and have become known for "stopping for the one." After spending many years ministering exclusively in Mozambique, Rolland and Heidi now travel internationally, teaching others about the simplicity of "passion and compassion" in the ministry of the Gospel. Fasting is about feasting on more of God! When many hear the word fasting, they immediately think of what they have to give up. But what if fasting is actually a sacred doorway into fresh encounters with the all-consuming fire of God? Author and revival historian, Jennifer Miskov, has tapped into an ancient pathway to divine encounter. She has given her life to studying how the greater pioneers of revival experienced dynamic moves of the Holy Spirit, both in their personal lives and in the corporate church. One of the key common denominators has been fasting. Historically, fasting was never a formula for holiness or a means to manipulate God. In fact, in revival history, the fasting ones were actually the feasting onesthose who single-mindedly aligned themselves with what heaven wanted to

release into earth. In Fasting for Fire, you will discover and experience: Deeper levels of union and connection with Jesus. Greater flow of revelation from the Holy Spirit. Extraordinary miracles, signs and wonders, supernatural power. Increased hunger for God. The supernatural benefits of fasting. The dimensions of fire fasting. Testimonies of revivalists like John Wesley, Smith Wigglesworth, and William J. Seymour who experienced significant God-encounters through fasting. Featuring easy-to-follow fasting exercises, Scripture meditations, reflection questions, activations, and special chapters by Randy Clark and Lou Engle, Fasting for Fire will stir you to pursue the presence of God with more passion and zeal than ever before! Gripping True Story of War and Romance, Hope and Miracles When the odds are impossible, love goes to work. In this thrilling true-life story, readers follow the path of friendship that grows into a romance that spans continents and survives devastating hardship. Craig Keener, a respected white scholar, was cautious after a broken relationship. Médine, a well-educated African woman, met Craig through a campus ministry and the two became friends. Long after they parted for their respective worlds, Craig realized his love for her and began the arduous—and often supernatural—journey to be reunited. Médine faced terror and disease as a refugee in the war-torn Congo; Craig did not know most days if she was alive or dead. Their tender story

of love beating the odds inspires readers to believe that God's own great love for each of us will always overcome. prayer. One of the most important progressions in Christian theology in this century has been the restoration of experience as an integral component in the activity of theology. This thesis first analyzes and assesses the numerous antecedents to Pentecostalism and glossolalic prayer. Secondly, it traces the growth of the movement from its inception at the turn of the century to its present status. Thirdly, the analysis and assessment considers the historical weaknesses and strengths in the Pentecostal theology of glossolalia. Fourthly, it moves towards a theological reconstruction of glossolalic prayer in which it is contended that this glossolalic encounter with the Divine presence may be viewed as a liberating, democratizing and unifying experience, a transrational devotional language of the heart, and finally as sacramental in significance. In the concluding chapter it is suggested that for Pentecostals/neo-Pentecostals, glossolalia may be considered trinitarian in significance, and that the Pentecostal/neo-Pentecostal experience and practice of glossolalia may be viewed as symbolic of theosis. The experience, practice and understanding of Pentecostal glossolalia is not only intrinsically significant, but important also for the implications they have for a Christian and general understanding of a theology of prayer. Pentecostals have rejected the popular belief that God cannot be encountered in the immediate world. The experience, practice and understanding of glossolalic prayer is seen as a counteraction to

an outmoded scholastic, rationalistic theology of prayer. Eastern Orthodox theology, and that of Byzantium in particular, with its distinctions between sense and energy, are of particular value in the theological reconstruction of glossolalic prayer. A theology of glossolalia is offered which asserts that Christians may be in communion and interaction with God through transrational glossolalic prayer. Hopeful Message for the Days Ahead from a Bestselling Author The future of this planet has never looked bleaker . . . or brighter. The darkest time in all of history, as well as the most brilliant for the people of God, lies before us. Jesus' own words about the wheat and the weeds warn us of this: "Let both grow together until the harvest." In a hopeful, inspiring call to action, bestselling author and pastor Don Finto challenges believers the world over to become radical, God-empowering, miracle-working, people-rescuing followers of Jesus as the final harvest nears. Delving into Scripture, he shows how we can prepare for the exciting possibilities of the days ahead, including how to press into the light, shine more brightly in the deepening darkness, protect ourselves during the ultimate Passover, watch for the signs of Jesus' return, wrestle for victory, and more! Evil may be on the rise. But even greater is God's army--and our best days lie ahead. Compelled by Love, the true story of the ministry of Heidi and Rolland Baker in the war-torn, poverty and disease-stricken country of Mozambique, chronicles twenty-seven years of

ministry among the poorest people on earth. The book is based upon the beatitudes as seen through the eyes of third-world pastors and missionaries. The Bakers have experienced God's miraculous provision of food to thousands, brought physical healing and spiritual wholeness to His poorest children, and witnessed the transformed hearts of people caught in desperate life or death situations. Their stories prove the reality of God's kingdom on earth, and demonstrate how to transform this world through the power of love. The Love of the Father is a poetic and spiritual insight into Christianity by Bekky Brill, an Australian poet known for speaking directly to the heart. This collection is a journey into the life of a Christ-follower and reveals God in both nature and humanity. Expressed within is a divine love story between humanity and the divine One. The Theological Implications of Digital Culture This informed theology of communication and media analyzes how we consume new media and technologies and discusses the impact on our social and religious lives. Combining expertise in religion online, theology, and technology, the authors synthesize scholarly work on religion and the internet for a nonspecialist audience. They show that both media studies and theology offer important resources for helping Christians engage in a thoughtful and faith-based critical evaluation of the effect of new media technologies on society, our lives, and the church. forgotten, uneducated children in China when the Spirit of God fell upon their humble orphanage, the Adullam Home. The boys spent days in powerful meetings, praying and praising God. Under the anointing of the Holy Spirit, they prophesied, saw visions, and discovered: Angels...how they operate and protect us Unbelievers...and their fate Heavenly occupations...what our jobs will be Paradise...revealed through the eyes of children The throne of God...experiencing true worship Death...what happens when we die Demons...and their evil works This mighty outpouring was a fulfillment of God's promise: "And it shall come to pass in the last days, saith God, I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions." Acts 2:17 Learning to love is a universal message. God is in control--always. The world is hurting, and people are living in fear. We want to feel the comfort of God's arms wrapped around us, but with so much uncertainty, how do we trust in Him? Heidi Baker interviewed a number of courageous believers, asking them what challenges they have overcome with God's help. Inspired by their resilience, trust, tenacity, and joy, Heidi recounts the extraordinary true stories of men and women who fixed their eyes on Jesus and never gave up in God's Got This. Heidi also vulnerably shares some of her deepest fears and most difficult experiences, revealing how she, too, learned to overcome life's trials

through faith in God and trust in His Word. Let this collection of powerful stories move you and remind you that no matter what storms you face, God's got this. We all want revival. And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth. But are we ready? Revival Culture is an inspirational, biblical, and empowering manual for the next generation of revivalists. Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding, California, and through Jesus Culture, that goes beyond slogans and high hopes to actually reaching. They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event. This is the full picture of revival culture. Missionary Leaders Reveal Behind-the-Scenes Glimpses from Africa Continuing where their book Expecting Miracles left off, this narrative draws from the last five years of the life of Iris Ministries. Woven alongside fascinating narrative from Mozambique is teaching from Heidi and Rolland that communicates the distilled wisdom about the heart of the Gospel from all their years of serving the poor. More than any of their previous books, this one has the most to say about what Rolland and Heidi have learned about love--whether in Africa or

wherever home might be: finding intimacy with Jesus, concentrating on the humble and lowly, being willing to suffer for love's sake, finding God's supply of utterly needed miracles, and walking in the unquenchable joy of the Lord. Every reader will find incredible challenge and refreshment in these pages. Termites for dinner. Bombs in the backyard. A nation torn by decades of war still on the brink. Can one life really make a difference? Born without her left hip and leg, Michele Perry is no stranger to seeming impossibilities. So when she arrived in war-torn Southern Sudan--with little more than her faith in god's promises--she did what everyone told her was crazy: she opened a home for orphaned children in the middle of guerilla warfare territory and has now become "mama" to over one hundred little lives. With a deft pen, she recounts unforgettable stories of life in the bush, stories that capture the reader with the stark realities of living in a war zone--and the power of God's love to transform them. Her own story is just as compelling as the ministry she is living. From working in the slums of India to finding her home in war-ravaged Africa, Michele's life has been a journey deeper into the supernatural power of God. Readers will be swept up in one woman's poignant spellbinding, captivatingly honest journey of love and the glimpses of God's tender grace and mercy in the midst of a broken and hurting world You Were Made for This!
