Flying over a shattered nation, ace pilot Hawk Hunter comes face to face with his greatest enemy. The United States may have defeated the Soviet Union in

the Battle for Western Europe, but the Russians ended World War III with a nuclear sneak attack that shattered America into a collection of warring states dominated by criminals, fascists, and pirates. Air power rules all in the New Order, and pilots like Hawk Hunter are the only form of law. One of the most decorated pilots of the old US Air Force, he flies for the Pacific American Air Corps, a loose group of flyboys who have taken it upon themselves to safeguard what remains of US borders. Flying his U-2 over the frozen tundra late one night, Hunter detects something on his infrared camera: fifty jet fighters, accompanied by a full-scale

invasion force. And their sides bear the emblem that frightens him most: the red star of the Soviet Union. World War IV is about to begin. *The Circle War* is the second book of the Wingman series, which also includes *Wingman* and *The Lucifer Crusade*. The stand-up comedian describes her fear of commitment and long-term relationships, recounting her humorous dating experiences and her meeting with her future husband, who changes her mind about marriage. After a

mysterious disappearance, the ace fighter pilot is back, searching for answers to his missing memory—but still ready to defend post-WWIII America. It's been a decade since Hawk Hunter, famed American World War III hero and legendary pilot, vanished on an extraterrestrial mission to save his country. Presumed dead, Hunter found himself in a strange alternate universe where the planes were bigger than seemed possible and the dead walked the earth. Now he is back, and America needs his help once more. The fragile new America that Hunter helped build has shattered in his absence. He has no memory of where he has been for the

past ten years, knowing only that he can bring peace to his beloved country once and for all. Seeking answers at the secret research base known as Area 51, Hawk uncovers a strange new threat to his fractured homeland. There is only one thing to do. His memory may be in tatters, but the Wingman has not forgotten how to fly. Describes the story of a group of people from the Philippines who were transported to Coney Island in 1905 to be portrayed as "headhunting, dog-eating savages" in a Luna Park freak show. On the eve of the Great Depression, Verna Krone, the child of Irish immigrants, must leave the eighth grade and

begin working as a maid to help support her family. Her employer takes inappropriate liberties, and as Verna matures, it seems as if each man she meets is worse than the last. Through sheer force of will and a few chance encounters, she manages to teach herself to read and becomes a nurse. But Verna's new life falls to pieces when she is arrested for assisting a black doctor with "illegal surgeries." As the media firestorm rages, Verna reflects on her life while awaiting trial. Based on the life of the author's own grandmother and written after almost three hundred interviews with those involved in the real-life

scandal, *The Blue Orchard* is as elegant and moving as it is exact and convincing. It is a dazzling portrayal of the changes America underwent in the first fifty years of the twentieth century. Readers will be swept into a time period that in many ways mirrors our own. Verna Krone's story is ultimately a story of the indomitable nature of the human spirit—and a reminder that determination and self-education can defy the deforming pressures that keep women and other disenfranchised groups down. And it's one of the first things I recommend to any aspiring writer." --Renee Ahdieh, author of *The Wrath and the Dawn* (2015), the first of a two-book deal from Penguin/Putnam "I found my literary agent in *Guide to Literary Agents*. The GLA was one of the best writing investments I ever made." --Jessica Lidh, author of debut novel *The Number 7* (Merit Press) "What man hasn't dreamt of being a fighter pilot at some point in his life? Richard Haines not only lived the dream, but takes us along for the ride in this faith-fueled

autobiography." --Michael Brown, Lead Reviewer for *Third Option Men Join USAF* fighter pilot Richard Haines on a journey of danger, determination, and devotion as he is divinely guided through perils of all kinds. From life-threatening jet emergencies to family-threatening temptations, he learns that God has a desire for everyone's life, and that He is definitely involved. Though we may be unaware and even indifferent to His plan for us, He sometimes uses other believers as spiritual rudders to steer, protect, and pour into our bodily vessels. *Spiritual Wingman: A Fighter Pilot's Journey to God* is an intriguing story of a fighter pilot's

adventurous path through worldly obstacles to the place where he comes face to face with divine purpose. The life lessons and practical applications that are shared in this book will equip and empower Christians (and non-Christians alike) to truly examine their lives and make the crucial decision to grow and be what the Lord has called each of us to be. Langley High, located just under two miles from CIA headquarters, is home to students barely aware of the role their parents play in the country's security. When Andrew Sullivan's father is abducted, and the truth is covered up by the government, he goes on the run. With the

help of some other students and one of his teachers, Andrew tries to save his father and ends up uncovering a conspiracy much larger than anyone could have expected. The focus of this book is on the media representations of the use of the Internet in seeking intimate connections—be it a committed relationship, a hook-up, or a community in which to dabble in fringe sexual practices. Popular culture (film, narrative television, the news media, and advertising) present two very distinct pictures of the use of the Internet as related to intimacy. From news reports about victims of online dating, to the presentation of the desperate and dateless, the

perverts and the deviants, a distinct frame for the intimacy/Internet connection is negativity. In some examples however, a changing picture is emerging. The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news, resulting in more positive-spin advertising and a more even-handed presence of such liaisons in narrative television and film. Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender, sexuality, technology

and the changing mores regarding intimacy. E-Book Edition of SPITFIRE WINGMAN FROM TENNESSEE, which is the autobiography of a self-taught aviator who flew virtually every military aircraft (except jets) during the years 1939 to 1960. Col. Jim Haun, 1911-2001, with unusual honesty and wit, allows a "back door glimpse" into the USAF at the highest levels of command, including the Presidential Air Fleet in Washington, D.C. He flew fighters in WWII, transports in India, the Berlin Airlift, Japan and the Far East - eventually becoming Chief Pilot of the Military Air Transport Service. After retirement he built a

stunt biplane in his garage and wowed audiences with "death-defying" performances. Col. Haun concurrently taught hundreds to fly, many later becoming airline captains and one, even became an instructor in the supersonic Blackbird. After a devastating Russian attack on the United States, a lone American fighter pilot is out for revenge—even as he evades every air force on earth. When Soviet nukes destroyed the United States, Hawk Hunter took refuge in the only place he has ever felt safe: the sky. One of the finest fighter pilots of all time, he used his talents to found the Pacific American Air Corps (PAAC), a democratic counterweight to

the corruption that dominates the rest of the country. Their first action was the Circle War: a Russian invasion led by the sinister terrorist Viktor Robotov. The PAAC expelled the Russians, but Robotov managed to escape. And the Wingman has taken up the pursuit. In a world where it's a crime to wave stars and stripes, Hunter paints his F-16 red, white, and blue. Pursued by every air force on Earth, he tears up the sky in search of revenge. There are hundreds of killers on his tail, but he has only one target—and Hunter never misses. The Lucifer Crusade is the third book of the Wingman series, which also includes Wingman and The

Circle War. An account of a brutal triple homicide in an exclusive neighborhood in Depression-era New York draws on archival records to profile the killer, a brilliant but deeply disturbed young sculptor, while documenting the nationwide manhunt, tabloid scandals and courtroom dramas surrounding the case. 20,000 first printing. The Authorized Albert Einstein Archives Edition: An homage to the men and women of science, and an

exposition of Einstein's place in scientific history. In this fascinating collection of articles and speeches, Albert Einstein reflects not only on the scientific method at work in his own theoretical discoveries, but also eloquently expresses a great appreciation for his scientific contemporaries and forefathers, including Johannes Kepler, Isaac Newton, James Clerk Maxwell, Max Planck, and Niels Bohr. While Einstein is renowned as one of the foremost innovators of modern science, his discoveries uniquely his own, through his own words it becomes clear that he viewed himself as only the most recent in a long line of scientists driven to create new

ways of understanding the world and to prove their scientific theories. Einstein's thoughtful examinations explain the "how" of scientific innovations both in his own theoretical work and in the scientific method established by those who came before him. This authorized ebook features a new introduction by Neil Berger, PhD, and an illustrated biography of Albert Einstein, which includes rare photos and never-before-seen documents from the Albert Einstein Archives at the Hebrew University of Jerusalem. Until the age of ten, Abby Sher was a happy child in a fun-loving, musical family. But when her father and favorite aunt pass

away, Abby fills the void of her loss with rituals: kissing her father's picture over and over each night, washing her hands, counting her steps, and collecting sharp objects that she thinks could harm innocent pedestrians. Then she begins to pray. At first she repeats the few phrases she remembers from synagogue, but by the time she is in high school, Abby is spending hours locked in her closet, urgently reciting a series of incantations and pleas. If she doesn't, she is sure someone else will die, too. The patterns from which she cannot deviate become her shelter and her obsession. In college Abby is diagnosed with obsessive-compulsive disorder, and while

she accepts this as an explanation for the counting and kissing and collecting, she resists labeling her fiercest obsession, certain that her prayers and her relationship with G-d are not an illness but the cure. She also discovers a new passion: performing comedy. She is never happier than when she dons a wig and makes people laugh. Offstage, however, she remains unable to confront the fears that drive her. She descends into darker compulsions, starving and cutting herself, measuring every calorie and incision. It is only when her earliest, deepest fear is realized that Abby is forced to examine and redefine the terms of her faith and her

future. Amen, Amen, Amen is an elegy honoring a mother, father, and beloved aunt who filled a child with music and their own blend of neuroticism. It is an adventure, full of fast cars, unsolved crimes, and close calls. It is part detective story, part love story, about Abby's hunt for answers and someone to guide her to them. It is a young woman's radiant and heartbreaking account of struggling to recognize the bounds and boundlessness of obsession and devotion. A full-length account based on the author's popular blog of the same name follows the author's life after being unexpectedly dumped, a period marked by one-night stands and Facebook

stalking escapades before she embarked on the dysfunctional world of online dating under the advice of her sharp-tongued grandmother. A beautifully told story with stunning illustrations captures the special bond between a father and daughter and the cold, snowy night they share when the little girl joins her father as he drives his big snowplow into the night. In the critically acclaimed *Five Men Who Broke My Heart*, Manhattan journalist Susan Shapiro revisited five self-destructive romances. In her hilarious, illuminating new memoir, *Lighting Up*, she rejects five self-destructive substances. This difficult quest

for clean living starts with Shapiro's shocking revelation that, at forty, her lengthiest, most emotionally satisfying relationship has been with cigarettes. A two-pack-a-day smoker since the age of thirteen, Susan Shapiro quickly discovers that it's impossible to be a writer, a nonsmoker, sane, and slender in the same year. The last time she tried to quit, she gained twenty-three pounds, couldn't concentrate on work, and wanted to kill herself and her husband, Aaron, a TV comedy writer who hates her penchant for puffing away. Yet just as she's about to choose her vice over her marriage vows, she stumbles upon a secret weapon. Dr.

Winters, “the James Bond of psychotherapy,” is a brilliant but unorthodox addiction specialist, a former chain-smoker himself. Working his weird magic on her psyche, he unravels the roots of her twenty-seven-year compulsion, the same dangerous dependency that has haunted her doctor father, her grandfather, and a pair of eccentric aunts from opposite sides of the family, along with Freud and nearly one in four Americans. Dr. Winters teaches her how to embrace suffering, then proclaims that her months of panic, depression, insecurity, vulnerability, and wild mood swings win her the award for “the worst nicotine withdrawal

in the history of the world.” Shapiro finally does kick the habit—while losing weight and finding career and connubial bliss—only to discover that the second she’s let go of her long-term crutch, she’s already replaced it with another fixation. After banishing cigarettes, alcohol, dope, gum, and bread from her day-to-day existence, she conquers all her demons and survives deprivation overload. But relying religiously on Dr. Winters, she soon realizes that the only obsession she has left to quit is him. . . . Never has the battle to stem substance abuse been captured with such wit, sophisticated insight, and candor. *Lighting Up* is so

compulsively readable, it’s addictive. Soon to be a major motion picture, here is the funny, revealing, harrowing memoir of a star journalist and hotshot hockey pro who discovers that he is biochemically changing into a woman. On the surface, Ken Baker seemed a model man. He was a nationally ranked hockey goalie; a Hollywood correspondent for *People*; a guest-lister at celebrity parties; and girls came on to him. Inside, though, he didn’t feel like the man he was supposed to be. Ken found that despite being attracted to women, he had little sex drive and even less of a sex life. To his anguish, he repeatedly found

himself unable to perform sexually. Regardless of strenuous workouts, his body remained flabby and soft, earning him the nickname "Pear" from his macho teammates. Physically, matters grew even more bizarre when he discovered that he was lactating. The testosterone-driven culture in which Ken grew up made it agonizingly difficult for him to seek help. But in time he discovered something that lifted years of pain, frustration, and confusion: a brain tumor was causing his body to be flooded with massive amounts of a female hormone, which was disabling his masculinity. Five hours of surgery accomplished

what years of therapy, rumination, and denial could not -- and allowed Ken Baker to finally feel -- and function -- like a man. Ken's story is coming to the screen in Fall 2016 in a much-anticipated Netflix feature film, *The Late Bloomer*, starring Academy Award-winner JK Simmons (*Law & Order*, *Whiplash*, *Spider-Man*) and Jane Lynch (*Glee*, *The 40-Year-Old Virgin*). Watch for the TarcherPerigee movie tie-in edition. Hailed by *The Washington Post* as "tantalizing" and "mesmerizing," *The Mermaid of Brooklyn* is a whip-smart, heartfelt exploration of what happens when modern day motherhood meets with a little

touch of magic. Sometimes all you need in life is a fabulous pair of shoes—and a little help from a mermaid Formerly an up-and-coming magazine editor, Jenny Lipkin is now your average, stretched-too-thin Brooklyn mom, tackling the challenges of raising two children in a cramped Park Slope walk-up. All she really wants is to survive the sweltering New York summer with a shred of sanity intact. But when her husband, Harry, vanishes one evening, Jenny reaches her breaking point. And in a moment of despair, a split-second decision changes her life forever. Pulled from the brink by an unexpected ally, Jenny is forced to rethink her

ideas about success, motherhood, romance, and relationships. But confronting her inner demons is no easy task... As a straight-A student with a budding romance and loyal best friend, M.T.'s life seems as apple-pie American as her blondish hair and pale skin. But M.T. hides two facts to the contrary: her full name of Monserrat Thalia and her status as an undocumented immigrant. With senior year of high school kicking into full swing, M.T. sees her hopes for a "normal" future unraveling. And it will take discovering a sense of trust in herself and others for M.T. to stake a claim in the life that she wants. Author Maria E. Andreu draws

from her personal experience to tell a story that is timely, relevant, and universally poignant. A Brilliant, Buoyant Guide to Publishing Your Book Hundreds of thousands of books come out every year worldwide. So why not yours? In *The Book Bible*, New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house. Unlike most writing manuals that stick to only one genre, Shapiro maps out the rules of all the sought-after, sellable categories: novels, memoirs, biography, how-to, essay collections, anthologies, humor,

mystery, crime, poetry, picture books, young adult and middle grade, fiction and nonfiction. Shapiro once worried that selling 16 books in varied subsections made her a literary dabbler. Yet after helping her students publish many award-winning bestsellers on all shelves of the bookstore, she realized that her versatility had a huge upside. She could explain, from personal experience, the differences in making each kind of book, as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes. This valuable guide will teach both new and

experienced scribes how to attain their dream of becoming a successful author. In this honest, hilarious, fiercely intelligent memoir, journalist Susan Shapiro dares to do what every woman dreams of: track down the five men who'd broken her heart and find out what really went wrong. Between the ages of thirteen and thirty-five, Susan had plunged into love, heart-first, five times. One bad breakup was more hurtful and humiliating than the next. With insight and daring, Susan chronicles her six-month-long journey back down a road strewn with romantic regret. Although for years she'd blamed her boyfriends for their

flagrant infidelity, ludicrous faults, and immature foibles, to her shock she can now suddenly pinpoint the exact moment where she herself screwed up each relationship. A successful freelance writer living in Manhattan, Susan Shapiro was in the midst of a midlife crisis she called her "no-book-no-baby summer." Married for five years to Aaron, a workaholic TV comedy writer always on the road, she was beginning to wonder if she'd remain book- and babyless forever. Then the phone rang, and it was Brad, a college flame who'd become a Harvard scientist with a book coming out. Susan offers to interview him, and she winds up

launching into all the intense, invasive questions she'd always wanted to ask him. To her surprise, he answers them! This ignites a spark that sends her on a cross-country jaunt back through her lust-littered past. While Brad is still single, she finds that Heartbreaks Number Two, Three, and Four are not. George, a theater professor, and Richard, a music biographer, are happily married with children. Tom, a handsome blond lawyer in L.A., is getting divorced. Just as it's becoming easy to worm her way back into her exes' good graces, she crashes head-on with David, a wry Canadian root canal specialist. ("It's the equivalent of what you did to

me emotionally," she tells him.) She then gut-wrenchingly relives the agony of splitting up with her first love all over again. Yet somewhere between the tantalizing what-ifs and bittersweet might-have-beens, she finds what she's been searching for all along. Part relationship manifesto, part confessional, and part valentine to the males in her life she adores, *Five Men Who Broke My Heart* is for anyone who has ever wondered what became of their first love. Or second, third, fourth, or fifth... Sophie Fontanel, bestselling novelist and iconic editor of French *Elle*, tells the provocative story of her decision to stop having sex—a choice that profoundly

changed her view of herself and her place in the world. At the age of twenty-seven, after many years of having (and, for the most part, enjoying) an active sex life, beloved French author, journalist, editor, and fashion blogger Sophie Fontanel decided she wanted to take a break. Despite having it all—a glamorous job, plenty of dates and boyfriends, stylish clothes, and endless parties to attend—she still wasn't happy, and found herself wanting more. She chose to give up her sex life, and in so doing shocked all of her friends and colleagues. What she discovers about herself is truly liberating and raises a number of questions about the

expectations of the society in which we live. As she experiences being the only non-coupled one at dinner parties, weekend getaways, and summer vacations, she muses inspiringly on what it means to find happiness and fulfillment alone. Provocative and illuminating, *The Art of Sleeping Alone*, which spent eight weeks on the bestseller list in France, offers advice on love and sex while challenging modern-day conventions of marriage and motherhood, making this an ideal read for anyone who has chosen to do things a little differently. An award-winning exiled poet remembers his years in prison following the Tiananmen

Square protests, describing the brutality he endured for writing the incendiary poem, "Massacre," the humanity he discovered in his fellow cellmates, and the ways in which his incarceration reflected key changes in China. A young survivor of the Bosnian War returns to his homeland to confront the people who betrayed his family. The story behind the YA novel *World in Between*: Based on a True Refugee Story. At age eleven, Kenan Trebinčević was a happy, karate-loving kid living with his family in the quiet Eastern European town of Brčko. Then, in the spring of 1992, war broke out and his friends, neighbors and

teammates all turned on him. Pero - Kenan's beloved karate coach - showed up at his door with an AK-47 - screaming: "You have one hour to leave or be killed!" Kenan's only crime: he was Muslim. This poignant, searing memoir chronicles Kenan's miraculous escape from the brutal ethnic cleansing campaign that swept the former Yugoslavia. After two decades in the United States, Kenan honors his father's wish to visit their homeland, making a list of what he wants to do there. Kenan decides to confront the former next door neighbor who stole from his mother, see the concentration camp where his Dad and brother were

imprisoned and stand on the grave of his first betrayer to make sure he's really dead. Back in the land of his birth, Kenan finds something more powerful—and shocking—than revenge. First, Kinsey's car is run off the road, and then days later, she's almost gunned down, setting in motion a harrowing cat and mouse game... G IS FOR GUMSHOE So Kinsey decides to hire a bodyguard. With PI Robert Dietz watching her 24/7, Kinsey is feeling on edge...especially with their

growing sexual tension. Then, Agnes dies of an apparent homicide, Kinsey realizes the old lady wasn't so senile after all—and maybe she was trying to tell her something? Now Kinsey's determined to learn the truth...even if it kills her.
