Now see amateur detective Carnegie Kincaid, expert in all things matrimony and murder, in the Hallmark original movie Wedding Planner Mystery! When love is in the air, Carnegie Kincaid is not far behind. A wedding planner who works out of her Seattle houseboat, Carnegie makes magic—usually—with fractious families, brimming brides, and cantankerous caterers to give loving couples the wedding they've always wanted. So why is her dream job turning into a perfect nightmare? It started when Carnegie agreed to plan the wedding of one of Seattle's most prominent families—who happen to be going through a high-stakes, headline-grabbing legal war. Before she can get her bride-to-be into just the right dress, a murder and a kidnapping plunge Carnegie into a mystery of extortion and violence. With a shadowy figure stalking her, a rich lawyer wooing her, and an annoying reporter pursuing her, Carnegie is putting all wedding plans on hold. In an explosion of sheer terror, she must hunt down a killer—till death do her part. History of the Willcox family of Ivy Mills, Pennsylvania. Includes history of town of Ivy Mills. It started with a dirty martini. And ended with dirtier sex. One day I had it all. Then my wife died and I had nothing. My heart shut down. No way would I ever go through that pain again. Lonely and at rock bottom, I gave in to an undeniable attraction. I took a smart, sexy stranger into my bed, but after a hot and intense night, we went our separate ways. No name. No number. Fate returns her to me...as my office rival. I can't keep my body from roaring to life all over again. I don't want to want her. But I do. She makes me feel alive. I'm smiling. I want to love again. Forget the company's rules... I need her in my life. In my bed. Heat explodes between us again. We can't help but cross that line. Again and again. At the office, I keep my hands to myself, and do filthy things to her at night. Just when I let her into my broken heart, she gets troubling news about her health. She thinks I won't be there for her. She runs. Shuts me out. I'm stronger now. Fierce. She waited for me. She led me out of the darkness and now I can handle anything. I won't let anyone--anything--take her from me. She's my second chance at forever. And I'll do whatever it takes to make her mine. \*\*This title was previously published as Must Love Fashion. Schroeder offers the first in-depth exploration of the biblical story of Deborah, an authoritative judge, prophet, and war leader. For centuries, Deborah's story has challenged readers' traditional assumptions about the place of women in society. Schroeder shows how Deborah's story has fueled gender debates throughout history. An examination of the prophetess's journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women, for women, and by women who aspired to leadership roles in religious communities and society. Numerous women-and men who supported women's aspirations to leadership-used Deborah's narrative to justify female claims to political and religious authority. Opponents to women's public leadership endeavored to define Deborah's role as "private" or argued that she was a divinely authorized exception, not to be emulated by future generations of women. Deborah's Daughters provides crucial new insight into the history of women in Judaism and Christianity, and into women's past and present roles in the church, synagogue, and society. Now a Disney Channel original movie, the Cheetah Girls have one shot to show their spots. Galleria, Chanel, Dorinda, Anginette, and Aquanette find family, friends, fortune and fame in four cheetah-charming tales. Beginning in 1924, Proceedings are incorporated into the Apr. number. Number of Exhibits: 2 A collection of documents supplementing the companion series known as "Colonial records," which contain the Minutes of the Provincial council, of the Council of safety, and of the Supreme executive council of Pennsylvania. Two gutting events occurred in my life. The first was on May 26, 2011, when my identical twin sister succumbed to a five-year unrelenting brain tumor and the second mere fourteen months later was on September 24, 2012, when my son was enjoying nature while riding his sports bike. He had a tragic accident and died instantly at the young age of twenty-one. My world came to a screeching halt. Two people who meant everything to me were gone forever. Many well-intentioned people told me what I should be doing to get over this, but quite frankly, it wasn't until I came out of the fog that I realized that the only way I was going to survive the rest of my life was to try to channel my grief into something positive. To honor the memory of my sister and my son and to help our family and so many friends to heal, I decided to write this book about what you can do when you lose a loved one. So does moving in with a warlock. Especially one who is a cauldron of seething anger on his worst days ... half mad on his best ... who is thinking, perhaps, of killing you. And you can almost understand why he would do it. But you'll fight to stay alive. Because maybe ... just maybe ... you've found the place where you belong: On his world, in his magic, saving the warlock from himself. WATERSPELL: The Complete Series (all four books) tells the story of the lost traveler, Carin, who is drawn into the schemes of a hot-tempered, emotionally damaged wizard. Does he view her as nothing more than an expendable weapon in his fight to save his world from lethal alien plagues? Or will Lord Verek find himself wavering, when it comes time to dispose of his fiery water-sylph? Praise for the Books of Waterspell: "An impressively immersive quality in Deborah J. Lightfoot's writing draws you in and keeps you there as the pages turn ... engaging the enduring interest and sympathy of the reader as they follow the twists and turns of the plot. Lightfoot creates a detailed and convincing world in which to set her story." —Martin Dukes "First off there's the writing itself, the quality of the prose, the effortless way that Lightfoot sets the stage and calls the shots, with none of the ponderous, overblown verbiage that weighs down so much high fantasy. Then there are the characters, each determined to leap off the page. But what most sets this book apart is its wild premise, an inspired bit of imagination." —Brian T. Marshall "An extremely well written fantasy story ... flows well with a very readable style that holds your interest throughout. The world building is solid and intriguing, the magical aspects well drawn and

versatile and characterisation is energetic so that you are immediately invested in their future. All in all a marvellous addition to the fantasy genre and I would recommend it for lovers of magical mystical tales." —Liz Wilkins "Waterspell blew my expectations out of the ballpark. What a brilliant and unforgettable story! I devoured it ... literally consumed by the originality and depth Deborah brings to her characters. She provides a strong balance between action, adventure, fantasy, and romance and Carin's combination of pride and vulnerability make her a fabulous character! Quite frankly, I am just astounded by the emotions this book stirred in me. It is simply extraordinary." —Lady Vigilante "If you like epic fantasy that sweeps you to amazing, immersive worlds and while following intriguing characters, be sure to add this series to your to-read list." —Once Upon a YA Book "The story just keeps getting bigger and bigger." —Book Briefs Book 1: The Warlock Book 2: The Wysard Book 3: The Wisewoman Book 4: The Witch Asayo starts university and lives alone for the first time. However the handsome blonde boy living next door turns out to be an Okama! Umenosuke Ichimatsu of the famous tea ceremony family is a cool guy who goes by the name of "Deborah." But unfortunately, he's a girl on the inside. So Asayo hangs out with him as a girlfriend and falls in love with him? A super happy Rom-com! On a military base in post-Taliban Afghanistan, American authorities have just imprisoned a teenaged girl found in a bombed-out school. The army major thinks she may be a terrorist working with the Taliban. The girl does not respond to questions in any language and remains silent, even when she is threatened, harassed and mistreated over several days. The only clue to her identity is a tattered shoulder bag containing papers that refer to people named Shauzia, Nooria, Leila, Asif, Hassan - and Parvana. In this long-awaited sequel to The Breadwinner Trilogy, Parvana is now fifteen years old. As she waits for foreign military forces to determine her fate, she remembers the past four years of her life. Reunited with her mother and sisters, she has been living in a village where her mother has finally managed to open a school for girls. But even though the Taliban has been driven from the government, the country is still at war, and many continue to view the education and freedom of girls and women with suspicion and fear. As her family settles into the routine of running the school, Parvana, a bit to her surprise, finds herself restless and bored. She even thinks of running away. But when local men threaten the school and her family, she must draw on every ounce of bravery and resilience she possesses to survive the disaster that kills her mother, destroys the school, and puts her own life in jeopardy. Be Inspired by Deborah, A woman of great power and influence. Deborah Knott, an attorney attempting to infiltrate the old boy network of tobacco country by running for district judge, is distracted from the race, and almost eliminated from it, when she finds new evidence to an old small-town murder. Traces the military life of Deborah Sampson especially while in the Westchester County area and includes brief biographical information. "This is the best Prometheus Bound in English. Deborah Roberts' translation is accurate, readable, and true to the original in idiom, imagery, and the combination of a high style with occasional colloquialism. The informative notes and perceptive Introduction will help readers to experience the play with heightened pleasure and understanding." —Seth L. Schein, Professor of Comparative Literature, University of California, Davis
